Membership Options

POST is a newly established lens-based arts centre championing creativity, sustainability, education, and community. Through our diverse facilities - including artist studios, a photographic studio, community darkroom, exhibition and events space, hot-desking zones, and community kitchen - we offer a vibrant ecosystem for creators of all levels. We operate under the One Planet Living sustainability framework and use One Planet technology to map our collaboration and shared impact.

Our membership system reflects our holistic, inclusive and flexible approach and is designed to meet individual as well as shared needs. You can choose a tier that suits your creative journey and upgrade at any time. An annual payment option with a 10% discount is also available.
